

LLYRIO /'lɪ.rɪ.ou/

BOATENG /'bwa:.tɪŋ/

—WRITER/DIRECTOR

Writer/Director attuned to language, with a strong eye for movement and visual storytelling. The above honed by an accomplished background in dance, working with Rihanna, Kylie Minogue, Katy Perry and other global artists and shows; these experiences inform my work across stage, screen and commercial work, bringing empathy, rigour and empirical insight to all creative collaboration.
